

Minutes of Keizer Radio Control Association March 16, 2015 – 7 PM

AMA Charter # 971

<http://krosswinds.com/>

The meeting was brought to order by Rudy / Club President at 7Pm @ Bob Bevens
4757 Lisa St NE, Salem

Minutes of the Previous Meeting was voted on and approved.

Reports

President – ongoing field maintenance of mowing and rolling of the field

Vice President – nothing new

Treasure – reported on our balance of \$2,652.26 and supplied a detailed cost spreadsheet of last year's cost.

Secretary report – called in with what's going around

Membership Chairman – called in with what's going around

Web Master – nothing to report

Old Business

1. Fence at the west end expenses. Ashton Roby has proposed designated taxi approach to runway. This was voted on and approved. Rudy will get the material for the installation.
2. Helicopter runway area. Updating area and procedures. Jon was absent and will follow up at the next meeting. We are looking for enough matting to recover that area.

Correspondence - none this month

New Business

1. Club dues increase for seniors – will be discussed at the end of the year.
2. Posting of club No Trespassing sign at the field. This has been approved by JB Sad. We voted and approved of designing and purchasing one or two signs as needed.
3. Shelter rethinking – new ideas are welcome. One idea was a roll out awning.
4. Safety – proposed safety random field checks.
 - a. Radio check at low power and at distance/Range Check
 - b. Throttle Radio check, throttle open and then radio turned off. Motor – engine stops or goes to full idle. This item needs further investigation for fueled engines and radio capacity to program.
5. Memorial Day Warbird – was decided to have an open invitation to member to bring out their war bird planes to commemorate Memorial Day. All members and planes of any type can fly. The day and time will be posted in May.
6. Recycle whenever possible

Next meeting will be: May 18th 2015 at the KRCA flying field

Rudy

President KRCA
