

May 18, 2015 Meeting of KRCA

11 members present at the field for the meeting

Rudy convened meeting around 6:10 PM.

Prez report: helipad mat expansion laid last Saturday.

Treasurers report: \$4,235 in the coffers.

Secretary report: Absent

Membership report: 46 paid members.

Webmaster report: no news

Old Business:

- *Helipad mat expansion completed. Jon will put big H on mat about 20-25' out from safety fence.

- New mat laid on east end of pits.

- *No trespass signs approved by vote for shed and west end of field. If you see trespassers, call 911. Do not get in confrontation.

New Business:

- *Nobody volunteered to be lead on Wings Over Keizer, so we will not be holding it this year.

- *Warbird Saturday: Jon summarized info in flyer for those present.

- *Mats completed, free mats from Woodburn RC club. Rudy said we put about \$90 into it mainly for spikes and staples to hold it to the ground. Mats are for electric plane use too, so heli and plane pilots need to communicate.

- *Consider safe distance for helicopter operations.

- *Members present approved \$600 to be given in certificates to JB sod this year.

- *Next meeting will be July 18, Saturday, noon, at the field.

Meeting adjourned around 6:45PM.

Respectfully submitted by Jonathan Young
