

Keizer Radio Control Association

Meeting Minutes

April 18th, 2016 the KRCA Meeting was called to order at 6:00 PM

Attendance: 14 members

Minutes of the previous meeting were voted on and accepted as published.

Membership: 31 paid members, 3 new members joined

Treasurer Report: The Treasurers report was read and accepted.

Old Business:

1. Painting the Club Maintenance Box was discussed and a work party will be called as the paint is available. Watch for messages about the work party, the more people we have the faster it will go! We also have fun at the work parties too!
2. Safety netting for east end is available and poles will be purchased to raise the netting up. Work party will be called as all materials are available. Watch for messages about the work party.
3. Seeding the runway; JB Sod will provide the seed we will just need a good day and work party to help spread the seed. Watch for messages about the work party.
4. Web site; suggestion to have a blog on the website to communicate current conditions, tips and tricks, new planes, quads and helicopters, just and overall fun and informative blog. Mike Hales said that the website has that option and will investigate the option.

New Business:

1. Calendar of upcoming events was discussed:
 - 1a. May 14th Funfly
 - 1b. May 28th Warbird Day
 - 1c. July TBD Fun Fly
 - 1d. Club Picnic planned for September 10th
 - 1e. Club Dinner planned for December, TBD

Keizer Radio Control Association

2. Flags placed at the East end of the runway was proposed. This is to give visibility and the elevation of the end of the runway. More discussion to determine where and what flags to use.
3. Instruction to members and new members was discussed. The discussion was to provide instruction to new members or members that need instruction so they could be instructed by a club instructor and be able to accomplish a proficiency flight. Provide instructor names and times for instruction and post to website

Next meeting is June 20th , 2016

Jerry Hall

Secretary
