

Keizer Radio Control Association

Executive Meeting Minutes

Meeting Time: September 23rd, 2016 the KRCA meeting was called to order at 6 pm

Attendance: 5 members

Executive Agenda:

Geotex for the runway

1. Explain trouble at original club and \$10,000 worth of improvements that had been made, when the club found themselves having to move to a new field.
2. If we lose this field, we will need money to dispose of all the equipment and shed that we have.
3. To replace our current lawnmower, it will take most of our reserves

After discussions about the pros and cons about the Geotex and the amount of response from members it was determined to be a dead subject.

2. Bob Bevens to be the only liaison to JB Sod. Executive members will not use their authority unless Bob is no longer able to fulfill this duty. Then the contact person will be the president or someone designated by the board.
 - a. This will be written into the bylaws
 - b. A discussion about having someone go with Bob to meet with JB Sod to start developing a relationship with JB Sod. Person will be determined because of sensitive relationship with JB Sod.
3. A rough budget was identified and showed the club in a deficit at the current dues. A decision was made to return to the \$50 yearly due rate for 2017
4. It was discussed that the last communication with JB Sod was that the field was just a matter of time that JB Sod will be reclaiming the field. Discussion was made to start looking for another field site, including communication with county, city government sites.
5. JB Sod communicated that the field will need to be redone. A discussion about what will need to be done. The decision was to kill off the grass, strip the dead grass then reseed. Bob Bevens and Don Deyoe will head project.
