**Meeting Time:** The KRCA meeting was called to order at 6:32pm

**Attendance:** 8 members were present

July and August meeting minutes were approved as written

### Officer Reports:

**President:** N/R

**Vice President:** Discussion about the AMA's progress working with the FAA on the Remote ID requirements. Follow the AMA's government affairs blog for more details.

**Treasurer's Report:** The Treasurer's report was read and accepted.

**Secretary:** Working on website updates and password-protected members only page.

**Safety Officer:** Position remains open. Until filled, the club safety officer is "general membership" – that means all of us! We can keep an eye on each other and self-police unsafe practices. Contact a club officer with issues.

**Membership Chair:** 2 new members joined at this meeting. Welcome!

**Web Master:** N/R

### Flying Field Update:

Field needs to be mowed, old matting brought from old field could not be burned by Holden. We'll need to take it to the dump.

### Old Business:

1. Holden / Bevens Field workday update: June 27<sup>th</sup>, All tasks were completed, field was in great shape for the July 4<sup>th</sup> dedication and fun fly!
  - Pit area matting, runway matting, safety fencing permanently installed and look great
2. Sign is permanently installed and looks great!
  - Thanks to Jerry for his hard work making and installing the sign!
3. July 4<sup>th</sup> dedication & fun-fly
  - Had great weather, great turnout. Thanks to everyone who helped with the final push to make the site ready!

### New Business:

1. Field parking locations
  - Had an incident on July 4<sup>th</sup> where an out-of-control plane damaged a parked vehicle

# Keizer Radio Control Association

- Parking will now be along the entry road, to the west of the electrical panels and boxes.
    - Alternate parking will be in the large field to the west of the large barn, access between the pump house and barn.
  - DO NOT PARK along the north end of the runway!
2. Fall work day
    - Need general cleanup, spreading of fill dirt, fall fertilization and seeding of runway
    - Oct. 3<sup>rd</sup>, 9AM.
  3. Charging Station
    - Holden has given up permission to build a charging bench in the barn, near where we have stored the mower.
    - Rob will put it up this fall, will need to plan wiring to bring power from the nearest junction box.
  4. Model Aviation PAC
    - There is now a Political Action Committee for model aviation, separate from the AMA.
      - AMA is a non-profit, and can't lobby members of congress. This new group has the ability to lobby independently of the AMA on behalf of recreational model aviation.
      - Led by Tyler Dobbs (AMA Government Affairs rep)
      - [www.modelaviationpac.com](http://www.modelaviationpac.com), or on [Facebook: "Political Action Committee for Model Aviation"](#)
  5. Club Coalition Project
    - Jerry is still pursuing the idea with other clubs
    - Fall/Winter season will give more opportunities to contact other clubs
  6. Fall Fun-Fly, October 17<sup>th</sup>
    - Will plans some pilot events, invite other clubs
    - We will provide punch, have potluck for sides, desserts

**Next meeting** will be Tuesday October 20th @ 6:30pm, at JC Pizza.

Meeting was adjourned at 7:15pm
