Keizer Radio Control Association

- Lumber donations from Bob Farwell and Don Esch will cover most of our dimensional lumber needs. Thanks Bob and Don!
 - Will need some sort of a scissor lift or "box" for the forklift to reach the top of the south wall.
 - Bob Farwell has a firewood box that may be sufficient; Bob Bevins will coordinate with Holden's for access to the forklift
 - Bob Farwell will also donate a roll-up door for the North wall so we can have open access
 - Still in need of a man door, or will get one from the ReStore
 - Motioned and approved expenditures as required to proceed with these projects, ensuring we hold \$1000 in the treasury for reserve.
- b) New member Nathan Wiegand has a connection to the Our Town newspaper, will try to coordinate an article about our cub. Thanks Nathan!
2. Club has switched bank accounts to US Bank
- We pay for checks only, no fees
3. Need signage for the storage container and the side of the barn
- Large permanent logs and lettering for the container and barn
 - Smaller temporary signage until the new frequency board and safety rules signs are completed

Next meeting will be Tuesday March 16th @ 6:30pm, Will plan to meet at the field if possible.

Meeting was adjourned at 7:15pm
